

**Amendments to the Claims:**

This listing of claims will replace all prior versions, and listings, of claims in the application:

**Listing of Claims:**

1. (Currently Amended) An ink jet nozzle arrangement comprising:  
a nozzle chamber defining means which defines a chamber and which includes a wall in which an ink ejection port is defined; and  
an ink ejection means operatively arranged relative to said ink ejection port, the ink ejection means comprising a plurality of ink ejection elements disposed symmetrically relative to said ink ejection port, each ink ejection element having an associated actuator.
2. (Cancelled)
3. (Currently Amended) The arrangement of claim 2-1 in which each ink ejection element is in the form of a paddle.
4. (Original) The arrangement of claim 3 in which each actuator includes a heater element at least partially embedded in its associated paddle.
5. (Original) The arrangement of claim 3 in which the ink ejection means is arranged in said wall of the nozzle chamber defining means.
6. (Original) The arrangement of claim 5 in which each paddle of the ink ejection means is cantilevered at one end to said wall.
7. (Original) The arrangement of claim 6 in which each paddle is cantilevered to said wall at its end remote from the ink ejection port.
